

COVID- 19 Update for Canna Campsite for July and August 2020

Canna Campsite has taken the decision to remain closed for August 2020. As the rest of the country opens up holiday accommodation to visitors it has been difficult to gauge what to do.

However it is vitally important that we consider the rest of the community here on Canna which includes, particularly in my family, elderly and vulnerable people. We are working together as a community to help them stay healthy at home here on Canna.

We continue to need your help to do this as we feel are still not able to welcome you safely to Canna just yet.

If you wish to stay in contact with Canna Campsite please follow us on Facebook and Instagram
